Dear Villager

Annual Subscription 2024

It is time once again for Villagers membership of the Sandison Hall to be renewed. Over the last two years, thanks to your support, we have managed to overcome general cost of living problems faced by Village halls, in particular the high cost of heating the hall over the winter months. In 2024, we have already had to pay for inspection of the electrics of the Hall and associated rectification. This was to meet insurance requirements. We have also agreed to the replacement of the front door and its surrounds. Our budget for the running costs of the Hall for 2024 come to around £8,000. Our income comes from Hall lets, grants, fund raising events and support from the Villagers by way of subscription and donations.

The Hall is available for hire for private parties, meetings and any other associated purposes. Thanks to the “Friends of the Sandison Hall”, events are organised for fund raising purposes.

The annual subscription to the Association, The Sandison Hall, is now due and, as normal, this letter is being sent to all householders in St Fillans. The subscription rate is unchanged at £5.00 per adult and we hope that, in addition to the subscription, we would ask all members to consider making an additional donation to Hall funds. Monies can be paid direct to the Hall’s bank account or by cash or cheque sent to Johnston Brown.

Please complete the Subscription Form below and return it to Johnston Brown at the address shown below. Many of you already have completed enduring Gift Aid forms to enable us to make a Gift Aid reclaim. If you are unsure of your Gift Aid status with the Hall let Johnston know by email to throughtjohnston@hotmail.co.uk and he will send you a Gift Aid form.

With the introduction of the General Data Protection Regulations, we only hold details of our members and their addresses. If, in addition, you want us to be able to send any notifications electronically, then please confirm by completing the e-mail address section below. We will not share any personal data with third parties.
