

Our Ref: NW/11/02/O-016012

Date: 14th August 2024

Dear Sir / Madam,

**SCOTTISH TRUNK ROAD NETWORK MANAGEMENT CONTRACT – NORTHWEST UNIT
A85 OSPREY VIEW, LOCHEARNHEAD
PROPOSED DRAINAGE INVESTIGATION WORKS
NIGHT-TIME CLOSURES WITH AMNESTIES
INFORMATION LETTER**

BEAR Scotland, on behalf of Transport Scotland, will be undertaking essential Drainage Investigation works on the A85 at Lochearnhead. Please find enclosed location plan, which details the work extents.

The investigation works are programmed to be undertaken overnight from Sunday 15th to Friday 20th September 2024, between 8pm and 6am each night, for a total of 5 nights, with no works planned for Saturday 21st or Sunday 22nd.

Due to the nature of the works and restricted road widths, it will be necessary to close the A85 trunk road in both directions each night, to ensure the safety of our workforce and members of the public, which is of paramount importance. Due to the extended diversion route, amnesties will be provided hourly at 9pm, 10pm, 11pm, 12am, 1am, 2am, 3am, 4am and 5am to allow waiting vehicles to be escorted through the site safely under a convoy traffic management system. The road closure and convoy system will be removed out with working hours.

Premises and residents within the closure will be permitted access and egress during the works, although there may be times when this is restricted due to the nature of the works and to ensure the safety of our workforce and members of the public.

Access for emergency services will be maintained at all times.

We understand that road closures of this nature will be disruptive and have planned the works overnight when traffic flows are lower, to reduce the impact of the works. BEAR Scotland and Transport Scotland wish to thank the local community in advance for their patience during these essential works.

Should you require further information or have any concerns please do not hesitate to contact us by e-mail at NWConsultation@bearsotland.co.uk

Yours faithfully,
For **BEAR Scotland Limited**
