“If I was asked for my favourite inland course in Scotland I’d go for St Fillans”

[Attractive deals for visiting Parties](#)

Come and play in one of our Opens:

St Fillans Golf Club is situated in the heart of Highland Perthshire, in one of the most beautiful parts of Scotland with magnificent lochs and towering mountains. The village of St Fillans sits at the eastern end of Loch Earn, its rows of houses, hotels and guesthouses enjoying the fabulous view up the loch. Tucked away across the River Earn is the nine-hole St Fillans course. Very fortunate to be voted Scotland’s best nine-hole course from 2019 – 2022 and shortlisted for the 2023 award.

Considering the imposing hills that surround the course, the terrain is surprisingly level and is popular with those new to the sport yet proves to be a difficult course to score well on for the more experienced player.

At this nine-hole course each hole is very challenging and a combination of course design, superb green keeping and breathtaking scenery keep players on the course as long as possible.
